a message from our CEO & CHAIR

“

I am delighted to welcome Patrick to the Loveland family. His experience in leadership, operations, regulations and residential support aligns perfectly with the needs of Loveland Center.

”

Debbie LaPinska
– Past Chair

Dear Friends,

We are pleased to present our Annual Report for the 2016–2017 Fiscal Year. Following the completion of the Nancy Detert Residences in 2015–2016, the Board of Directors guided us to refocus our attention on enhancing the programs and services that Loveland Center has provided for over 55 years and to strengthen the overall organizational structure of the agency.

Our reflections on the year include:

- The Adult Day Training program grew 18%.
- The Supported Employment program launched Job Club, bringing together people currently employed with those interested in future employment.
- The Hearty Kitchen Academy was developed through the generosity of a grant from Jane’s Trust.
- The Loveland Board of Directors embarked on a national search to identify a new President and Chief Executive Officer.

To all of our funders and donors, we appreciate your continued support, generosity, and belief in the mission and vision of Loveland Center. On behalf of our program participants, the Board of Directors, our dedicated staff, and our volunteers, we invite you to join us on our journey toward equality for all the individuals we serve.

Yours sincerely,

Jim Woods
